

# HOW WE CAN HELP

Attleborough SAFER NEIGHBOURHOOD TEAM

Attend an engagement surgery at Thetford Police Station every Tuesday 12am to 2pm to speak to local officers.

If you have a question then why not contact your local **Beat Manager** or **Engagement Officer**. They are always on hand to help.

Call us on **101** or use the yellow box phone outside your station, for less-urgent matters. Always dial **999** in an emergency.
