

Norfolk and Waveney Mental Health Review

My name is Paul Ilett and I'm currently working with the NHS in Norfolk and Waveney on a number of projects.

A review of mental health services is underway that will inform the development of a 10 year mental health strategy. I am supporting an engagement programme so residents and service users can help us ensure mental health services across the area are delivered in ways that meet future needs. Hundreds of people have already completed an online survey to share their thoughts, and this survey can be found here:

<https://www.smartsurvey.co.uk/s/NWMentalHealthReview/>

We have also arranged a number of public events which I hope you will help us to promote. These are as follows:

1. 2pm-4.30pm on Wednesday 7 November at the Orbis Centre in Lowestoft
<https://www.eventbrite.co.uk/e/developing-norfolk-and-waveneys-10-year-mental-health-strategy-tickets-50693953981>
2. 10am-12.30pm on Wednesday 14 November at King's Lynn Town Hall
<https://www.eventbrite.co.uk/e/developing-norfolk-and-waveneys-10-year-mental-health-strategy-tickets-44347559745>
3. 6pm-8.30pm on Monday 19 November at The Assembly House, Theatre Street, Norwich NR2 1RQ <https://www.eventbrite.co.uk/e/developing-norfolk-and-waveneys-10-year-mental-health-strategy-tickets-50683819669>

Please may I ask you share information about the online survey and the events with your own local residents and contacts, and please let me know if you have any questions.

Kind regards, Paul

Paul Ilett, Interim Communications and Engagement Manager
