ATTLEBOROUGH TOWN COUNCIL STATEMENT REGARDING LETTER ISSUED BY BROWN & CO:

Residential Development on Land North of Blackthorn Road, Attleborough

Attleborough Town Council wishes to clarify in response to the letter dated 9th January 2019:

“Discussions about the proposed development have already taken place with Attleborough Town Council”.

Whilst representatives of Brown & Co presented their proposal to some interested Town Councillors after a Planning and Highways Committee Meeting had finished, no decision was made or given on behalf of the Town Council at that time; it being understood that comments cannot be made until a formal planning application has been received from Breckland District Council. Once received, Members will follow the correct governance process as a Consultee.

The letter also refers to a ‘Community Infrastructure Levy (CIL)’ which is not used by Breckland District Council.

During their presentation Brown & Co were asked by Town Councillors to refer to the Attleborough Neighbourhood Plan to ensure they meet the objectives and policies and Section 106 [Developer] Contributions.
