Message from
Chief Inspector
Lynne Cross

I would like to take this opportunity to introduce my new Neighbourhood Policing Team (NPT) made up of 6 Officers. The team is based out of Watton Police Station but will be engaged in proactive activity across the entire Breckland District. The team have a wealth of experience, coming from specialist departments and will bring a multi-faceted approach to problem solving any emerging issues in the district and will very much complement our community based Safer Neighbourhood Teams. The NPT have really hit the ground running and are already producing some great results. In their first week the team joined the local SNT and our partners in HMRC, Norfolk County Council Trading Standards and Licensing in Thetford where over 14,000 cigarettes were seized from one shop alone, while in Watton they made their first arrest after stopping a male found to be in possession of suspected drugs, swiftly followed by a second arrest for breach of a court order. In addition, they have carried out extensive foot patrols, both during the day and night, of the Swaffham area in response to concerns of ASB in the town. If you have any concerns contact my colleagues either by using our website, www.norfolk.police.uk, twitter @BrecklandPolice and Breckland Police Facebook page or by calling 101.

What is Happening In Your Area

Officers covering the Attleborough and surrounding parishes area have been busy, mixing proactive patrols with community engagement events. Attleborough Safer Neighbourhood Team Beat Managers, PCs Andy London and Damion Wicks have been out and about in the community, attending the Feline Care Open Day at Roudham as well as a visit to the Attleborough Beavers who had the opportunity to learn about police work, try on uniform and look around a police vehicle. They have also carried out footbeat and reassurance patrols of the cemetery and so really needed that Coffee with a Cop engagement surgery! Our response officers have also been out patrolling the areas during both the day and night.

Message from Your Engagement Officer

PC 898 Paula Gilluley

With the lighter evenings and (hopefully!) better weather upon us we are mindful of reports of anti-social behaviour coming in. Anti-social behaviour can seriously threaten our quality of life and Norfolk Police are committed to tackling and not tolerating such behaviour. We work closely with partners such as the Operational Partnership Team, Breckland District Council and Housing Associations. Did you know that if you, a family member (including a child) or a visitor commits crime or ASB in the area it can have an impact on a Tenancy Agreement? If you see or are concerned about ASB please contact Police.
