

Subject: Upcoming overnight roadworks starting Monday 15 July: A11 Roudham to Attleborough

Important roadworks information

Dear Local Stakeholder,

A11 Roudham Heath to Attleborough: carriageway surveys and resurfacing

I write to inform you that Kier will be carrying out carriageway surveys and resurfacing works at the above location, on behalf of Highways England. Previous surveys have identified the need for maintenance works in this location, for road safety reasons. Additional surveys will also enable us to programme any necessary future maintenance works.

We plan to complete this work over **four weeks**, from **Monday 15 July**, weeknights only, with working hours of **8pm to 6am**, weather permitting. An overview of the works and associated impacts are listed below.

Monday 15 to Friday 26 July- a full closure of the A11 northbound from the A1075 roundabout in Thetford, to London Road roundabout in Attleborough.

Monday 29 to Wednesday 31 July- southbound lane closures between Attleborough and Roudham Heath.

Thursday 1 August to Friday 9 August- a full closure of the A11 southbound from London Road roundabout, Attleborough to High Bridgham Road.

Please note that details of this works are correct at the time of publishing and may be subject to change.

A map showing the road closure and diversion routes can be found below.

Diversion routes

Northbound closure- a clearly signed diversion will be in place diverting northbound traffic via the A1075, B1108 and B1077.

Southbound closure- a clearly signed diversion will be in place diverting southbound traffic via the A140 to Scole, due to a low bridge in Diss, high vehicles will follow the A143 then A14, all other vehicles will use the A1066 to Thetford.
