Local Policing
Commander for
Thetford and
Attleborough

Message from Inspector Jo Walmsley With the Summer holidays now in full swing it has been another busy set of weeks for my officers covering the Attleborough and wider parishes. At our last Safer Neighbourhood Action Panel (SNAP) meeting you voted in Speeding and Vehicle related Anti-social Behaviour to be our Policing Priorities and officers have been proactively tackling these issues with a joint partnership operation held at Besthorpe encompassing our Roads Policing, Proactive Neighbourhood Policing, Operation Moonshot Officers, Engagement Officer and DVSA, HM Customs and Excise over 20 vehicles were processed with various offences being highlighted and dealt with. You may have heard about an incident which started at the Stag Roundabout, Attleborough when a vehicle was driven 15 miles on the wrong side of the A11 towards Thetford. Officers stopped this dangerous driver who was subsequently found to be over the prescribed alcohol limit. But it hasn't all been crime—officers have enjoyed community time at the Old Buckenham Air Show and our monthly Coffee-with-a-Cop surgeries are going from strength to strength—we hope to see you at the next one on Tuesday 27th August at 1pm in the Attleborough Tourist Information Office!

What is Happening In Your Area

Officers covering the Attleborough and surrounding areas have been proactively carrying out patrols in relation to the current SNAP priorities of speeding and vehicle ASB in the area. Our Roads Policing Team stopped one vehicle in Great Ellingham who simply couldn't understand the potential dangers of the way in which their load was being carried — perhaps you will see why the driver was ultimately issued with a ticket for carrying a load likely to cause injury from the photo Your Beat Managers enjoyed a highly successful, if not a little blustery at times, Old Buckenham Air Show, attending on both days and thoroughly enjoying

meeting everyone who came over to their stall!

Message from your Engagement Officer, Pc Paula Gilluley

This month we have seen an increase in reports of theft from motor vehicles, and sadly most of the vehicles targeted had been left insecure. I would like to remind you that it can take less than 1 minute for a thief to steal from your vehicle. Try to park your vehicle in a secure garage or on a driveway which is well lit. Failing this try to find a parking space in a busy, well lit area and always remove all valuables from your car and secure your car by locking it and fitting an alarm.
