Dear Resident,

A11 Works – Spooner Row - Wymondham

Highways England is undertaking necessary works on the A11 to carry out concrete surveys on the network.

The surveys are planned to start on **Thursday 13 February** and are programmed to take approximately **1 month**. Our working times will be between the hours of **8pm** and **6am** on **weeknights only**. Should there be a requirement to significantly re-programme the work, a further notification will be issued.

Traffic restrictions

In order to minimise the impact on local communities and road users, we will only be diverting traffic onto local roads when absolutely necessary. Where we do need to close the A11 and divert traffic, we closely consult with the local authority to agree the most appropriate route and timings.

The following closures will be in place between **8pm** and **6am** on **weeknights only**.

- **Closure** of the A11 northbound between Spooner Row and Wymondham from **Thursday 13 February to Wednesday 26 February (Diagram A)**
- **Closure** of the A11 southbound between Wymondham and Spooner Row from **Thursday 27 February to Friday 6 March (Diagram B)**
- **Closure** of the A11 southbound between Wymondham and Spooner Row from **Monday 9 March to Thursday 12 March (Diagram C)**

Please note that these works are subject to weather conditions and dates may change, notices onsite will provide the most up to date information.

We have included the diversion maps for these closures at the end of this letter.

Access and disruption

Access for emergency vehicles will be allowed at all times.

Safety

Your safety is important to us, as is the safety of our operatives working on site. We would be grateful if you could observe signs and restrictions in place as any unauthorised access to the site creates a serious risk to safety of everyone involved.

How you can contact us

If you have any queries about our work, or want to know more, please contact us on 0300 123 5000 or via email at info@highwaysengland.co.uk

Thank you for your patience and cooperation during our work.

Yours sincerely

Nisar Ahmad
