

NORFOLK COUNTY COUNCIL

PUBLIC NOTICE – 27 MARCH 2020

Norfolk County Council has confirmed as of today (27 March 2020) the works within Attleborough town centre will stop.

The site will be made safe with barriers / cones relocated to minimise impact on traffic flows.

The temporary pedestrian traffic signals will remain in place as these provide a formal crossing point whilst the permanent crossing is out of use.

The site will be routinely inspected by Traffic Management Operative to ensure that it remains in a safe state for as long as required
