### **AN EASTER MESSAGE FROM CLLR TONY CROUCH, TOWN MAYOR**

Dear Resident

I felt I must write to you personally at this very difficult time. As we go into the Easter weekend I am aware many of you will be separated from your loved ones.

As the Coronavirus continues to spread across the country we are now living in extraordinary times. I appreciate how difficult it is for many of you at the moment and my thoughts, and those of all the Councillors and staff, are with you.

The clear message is we must all stay at home in a national effort to contain this virus and to protect the wonderful and selfless NHS workers and emergency responders. With the onset of sunny Spring weather this is even harder but please ensure you follow these rules over the bank holiday weekend.

The Town Council continues to operate and provide services as much as is possible within the government guidance and current restrictions. Several of our Councillors are available to help those who need assistance with shopping and collecting medicine, please contact us if you need us.

Our website and noticeboards contain useful contact details and pandemic advice which is updated regularly.

I wish you all a Peaceful Easter

Tony Crouch
