

ATTLEBOROUGH TOWN COUNCIL

COVID-19 COMMUNITY RESPONSE FUNDING AVAILABLE

Attleborough Town Council is seeking grant applications from emerging un-constituted neighbourhood collectives to support your plans in helping local residents during the Coronavirus pandemic, so you can keep up your good works.

We have a limited amount of emergency funding available to help with practical necessities, such as emergency food supplies and/or the collection and delivery of medication, for our most vulnerable or self isolating residents.

Or if you are a resident who is in need, or you know of someone who would benefit from a limited amount of funding, please contact us.

Please note: community groups will be asked to complete a short grant fund outlining your activities for the purpose ensuring whether the activity is safe/advisable under current Government guidance and safeguarding good practice.
