Safer Neighbourhood Action Panel (SNAP) Community Policing Priorities. While current restrictions have meant that we have been unable to meet with our communities for our regular Safer Neighbourhood Action Panel (SNAP) meetings we believe it is important that our SNAP Community Policing Priorities remain current and reflect what is important to local residents. We are holding a week-long poll where you can vote for what you would like to see as our next priorities. This poll will be followed up with an online Q&A session on 6th July between 6.30pm – 8.30pm where you can post a question on our #AskTheOfficer post which will be answered directly.

We really hope you will all get involved and have your say!
