

ATTLEBOROUGH TOWN COUNCIL

Town Hall, Queens Square, Attleborough, Norfolk, NR17 2AF

Tuesday 5th January 2021

Dear Councillors,

Precept Request 2021/2022

Whilst there are inflationary pressures on the Town Council and additional legal costs which are yet to be finalised, it is our recommendation that we maintain the current precept rate and not seek any increase.

We feel this is particularly important and we consider the significant financial issues our local residents are experiencing during the current coronavirus pandemic, the effects of which will last beyond the end of any period of lockdown.

The Town Council is also in the process of conducting a 'root and branch' review of council operations and have already identified areas where savings can be made and/or improve value for money.

Yours sincerely,

Cllr Philip Leslie

Mayor of Attleborough

Cllr Beverley Bulmer

Deputy Mayor of Attleborough

Dear Sirs

Down Decoy Common there are 3 fields. The first field floods every winter and getting through to fields 2 and 3, via field 1, is really quite an ordeal, it is like a bog. We dog walkers are used to a bit of mud, but field 1 at the Common is beyond a joke.

In field 3 there is a 5-bar gate, next to it there appears to be room to put a gate for dog walkers or a stepping style. As I am speaking on behalf of a number of dog walkers, we would be very grateful if a gate or style was possible. It would make walking down Decoy Common is much more pleasant experience.

Please see photos attached.

Regards

**REQUEST FOR FUNFAIR AT RECREATION GROUND,
STATION ROAD, ATTLEBOROUGH**

Hi to all Council colleagues,

Please find a provisional booking for our annual visit to our local town.

We would like to arrive on Tuesday 4th of May opening Thursday 6th until Monday 10th of May.

Looking forward to seeing you safe and well in the new year and wish you all a safe and healthy Xmas.

Kind regards

Larry
