

Important roadworks information

Dear Sir/Madam

UPDATE: A11 between Thetford and Attleborough: resurfacing

I write to update you on the essential resurfacing work taking place at the above location.

Our work is progressing well, and we expect to be completed on Wednesday 16 June, subject to weather conditions.

We have closely liaised with the local authority to agree the most suitable diversion routes for the current and final phase, as detailed below:

Phase 4: A11 closure between A1075 roundabout at Thetford to the A11 Snetterton junction, currently ongoing until Wednesday 5 May, from 8pm to 6am, excluding bank holidays.

Phase 5: A11 from Snetterton junction to Attleborough, starting Thursday 6 May to Wednesday 16 June, from 8pm to 6am, excluding bank holidays. During this time, there will also be a weekend closure of Breckland Lodge (Stag) roundabout, starting Friday 21 May to Monday 24 May.

- Southbound traffic will be diverted from Thetford via the A1066, joining the A140 at Scole to A47/Norwich Southern Bypass to Thickthorn junction, then south on A11 to Attleborough
- Southbound traffic for HGV's and vehicles over 4.7 metres/15.6ft, will be diverted from Thetford via the A1088, joining the A143 near Ixworth and joining the A140 at Scole, to A47/Norwich Southern Bypass to Thickthorn junction, then south on A11 to Attleborough

We will be contacting you if there are any changes to the programme and updating you with the most recent closure information.
