I can't believe that we are already in September and as I write this we are starting to see the nights draw in, along with some very changeable weather!

As the nights have started to draw in I thought now would be a good time to remind everyone to adopt the 9pm Routine. This simple initiative, and some might say common sense approach to crime prevention was started in the USA. The 9pm Routine revolves around people getting into a habit of checking cars are locked, secure and valuables removed, any outbuildings/sheds are locked up and secured, and all windows and doors are locked and secured before settling in for the night. It is normally the simple things that work so why not adopt the 9pm Routine today.

WHAT'S HAPPENING IN YOUR AREA?

Your Local Policing Team Beat Managers have been busy getting out and about in their communities, hosting street surgeries in areas including Attleborough, Banham, Rocklands and East Harling. These street surgeries are the perfect opportunity to say hello to your local officer, raise any concerns and obtain crime prevention advice. Look out new dates for the Attleborough Safer Neighbourhood Team Coffee with a Cop which will also be starting up again very soon! Don't forget to mark a date in your diary for the next Safer Neighbourhood Action Panel (SNAP) Priority setting meeting, which will be held on Friday 8th October at 10 in the Attleborough Town Hall, and where you can hear updates on the current priorities and take part in voting in the new priorities. If you can't make this meeting but would still like to raise a concern please email the Beat managers at SNTAttleborough@norfolk.pnn.police.uk.
