Homes England looks to local community to help shape future of Attleborough

Homes England have acquired the first phase of land in the 4,000 home sustainable urban extension planned for Attleborough and will have a stand at Queens Square on:

Thursday 23rd September between 8am – 2pm.

Residents are invited to meet Homes England, their project team and representatives from Breckland District Council on 23rd September at their stall on Queens Square to ask questions about the project. This will be the first of many opportunities residents will have to get involved with the scheme.
