Following recent developments with key stakeholders and wanting to ensure the Town Council has the appropriate structures in place to help deliver the aspirations of the Attleborough Neighbourhood Plan, it is recommended that the Attleborough Neighbourhood Plan Committee be dissolved at the next Full Council Meeting and replaced with the following:

Attleborough 20 Minute Neighbourhood Steering Group

Help form and appoint representation from the Town Council on a new key stakeholder group to promote the principles of a '20 Minute Neighbourhood', as referenced by the Town & Country Planning Association (see <https://www.tcpa.org.uk/guide-the-20-minute-neighbourhood>).

This steering group will predominantly discuss matters that will affect Attleboroughs' future development but where the Town Council is not directly responsible for making decisions upon.

Environmental Committee

Town Council to set up an Environmental Committee responsible for environmental matters, green spaces and land owned by the Town Council.

This committee will predominantly discuss matters that the Town Council's responsible for, or have the right to make discussions upon.

This will help assist the progression and delivery of projects within clearly defined responsibilities – for consideration
