A11 Spooner Row to Tuttle Interchange reconstruction scheme

I'm writing to provide you with an update regarding the upcoming reconstruction of the road surface on the A11 carriageway, between Spooner Row and the Tuttle Interchange.

In order to install a billboard for the northbound traffic, we'll need to close the A11 northbound between Attleborough and the Tuttle Interchange on the evenings of 6 and 7 June, between the hours of 8pm and 6am.

During this time, traffic travelling northbound on the A11 will be invited to travel along the A1066 at Thetford before joining the A140 Northbound, and then joining the A47.

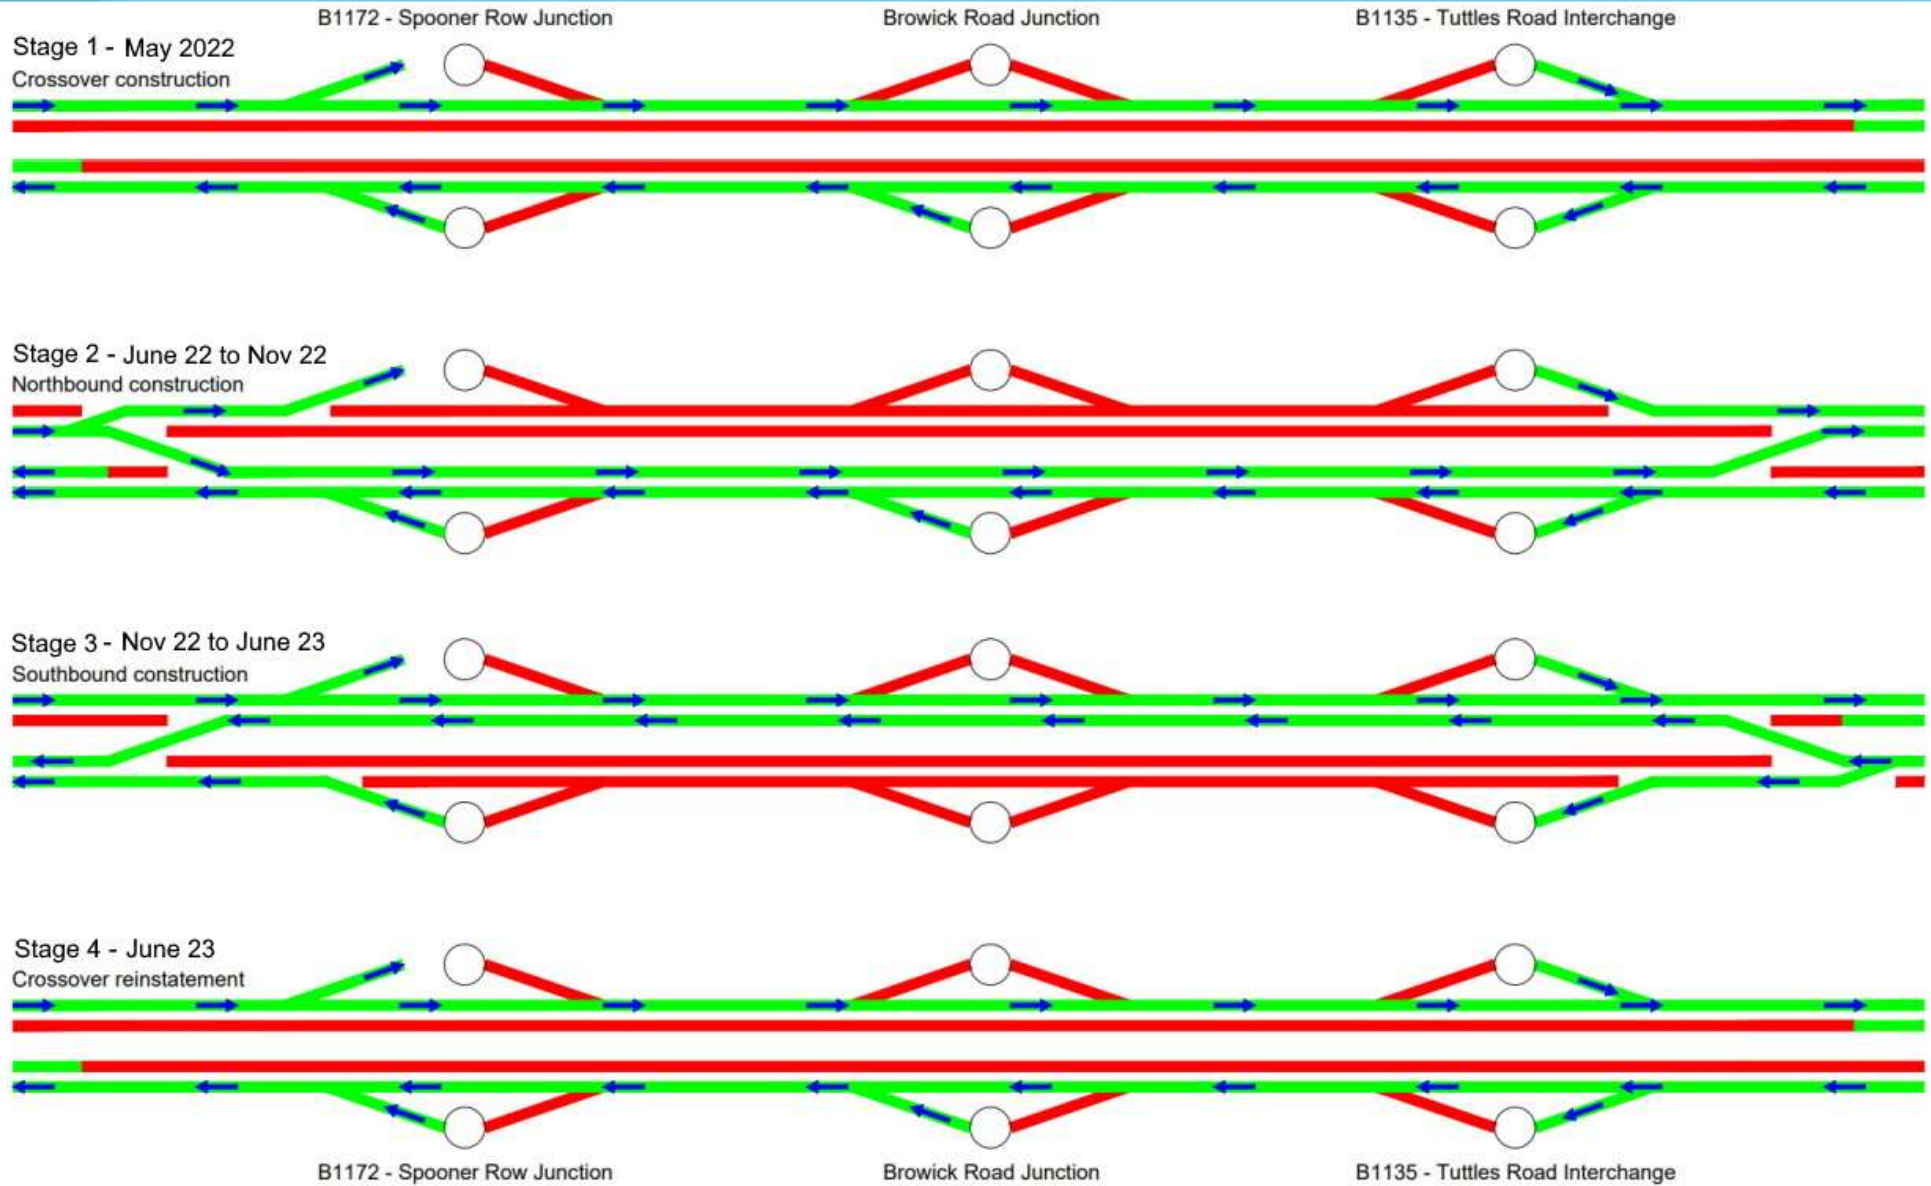

If you require further information, then please feel free to contact us by calling the 24/7 National Highways Customer Contact Centre on 0300 123 5000, email ConcreteRoadsEastA11@nationalhighways.co.uk or visit our website at www.nationalhighways.co.uk/A11concrete.

Road users can also keep up to date on road closures by visiting our Traffic England website at www.trafficengland.com or by following our Twitter feed: @HighwaysEAST.

Yours sincerely

Andy Dyer
Project Manager
