

Hello everyone, just to introduce myself my name is Damion Wicks and I am a Police Officer working on the Local Policing Team in Attleborough.

On Sunday the 2nd of October 2022 I am running the London Marathon and I have chosen to ask for donations for the charity Norfolk Lowland Search and Rescue.

As a Police Search Adviser, I have worked alongside the volunteers from NORLSAR on several occasions while trying to locate vulnerable missing people. As a charity they rely on donations, funding grants and sponsorship to continue to offer the amazing support and assistance that they provide.

There are further details about their amazing work on my just giving page. Should you feel that you would like to donate to this good cause then please see below the link and QR code for my just giving page

Thanks
Damion
