

Invitation to Tender.

HEDGE CUTTING CONTRACT – ATTLEBOROUGH

Attleborough Town Council are Looking to employ a contractor for a period of 5 years for the maintenance of all major hedgerows.

The successful candidate must have the necessary certificates, insurance and documentation to carry out such works, including, as may be necessary on the public Highway. Hedges to be trimmed twice a year as necessary following all legislation, including that protecting nesting birds

The area of hedging required are documented below and will be detailed on a site visit.

Please note there may be some areas that will require hand cutting due to limitation of tractor access. All waste must be collected and removed from site as part of the service. Attleborough Town Council are looking to commence with this service during **Autumn 2023**

Recreation Ground

- Inside, outside and tops of hedges around playing fields to include Thieves lane. Driveway hedges.

Gaymers Meadow

- Inside, outside, top of Cark Park hedges.

London Road Park

- Inside and top of hedges. Dog walk area.

Grosvenor Park

- Main hedge at blue bridge end. To include the maintenance of the newly planted hedges once matured enough to warrant cutting.

Chapel Road

- Top and sides of hedges surrounding allotments.

Norfolk Drive

- Top and sides of all boundary hedging.
