

Latest e-bulletin for the A11 Spooner Row to Tuttle reconstruction scheme

Upcoming work

14 September 2023

Advanced notification of upcoming work on the A11 concrete roads scheme

We've completed the reconstruction of the A11 between Spooner Row and the Tuttle Interchange at Wymondham. We're in the process of demobilising our temporary compound on Spinks Lane before we return it to an arable field. Thank you for your patience throughout the duration of the scheme, I appreciate neighbouring a busy site compound isn't always easy.

As part of our demobilisation, we'll be resurfacing sections of the B1135 closest to the compound, to reinstate a smooth surface following heavy plant usage.

To finalise the scheme, we also need to complete final surveys of the new drains, which can only be done during a full overnight closure of the A11.

To complete the work to the B1135, and to do our final surveys, we'll need to close the following roads between 8pm and 6am on the dates below:

Monday 18 September

- Full overnight closure of the A11 northbound Attleborough to Tuttle

Tuesday 19 September

- Full overnight closure of the A11 northbound Attleborough to Tuttle
- A11 Tuttle Lane southbound exit slip road
- A11 Tuttle Lane southbound entry slip road

Wednesday 20 September

- A11 Tuttle Lane northbound exit slip road
- A11 Tuttle Lane and Mulbarton southbound exit slip road
- A11 Mulbarton southbound entry slip road

Thursday 21 September

- A11 Tuttle Lane northbound exit slip road
- A11 Tuttle Lane southbound entry slip road

Monday 25 September to Friday 29 September

- A11 Tuttle lane northbound exit slip road
- A11 Tuttle lane southbound exit slip road

Details of diversion routes can be found in the table at the end of this letter.

Please note that all dates are subject to change due to unforeseen circumstances or poor weather conditions.

Get in touch

If you have any questions about this work, you can contact us by calling our 24/7 Customer Contact Centre on 0300 123 5000, or by emailing ConcreteRoadsEastA11@nationalhighways.co.uk. Alternatively, please visit our website for more information about this project: www.nationalhighways.co.uk/A11concrete.

Road users can also keep up to date on road closures by visiting our Traffic England website at www.trafficengland.com or by following our X feed (Twitter): [@HighwaysEAST](https://twitter.com/HighwaysEAST).

Yours sincerely

Project Manager

Diversion Routes

<p>Full overnight closure of the A11 northbound</p>	<p>Traffic travelling northbound on the A11 will be diverted eastbound along the A1066 at Thetford, before travelling northbound on the A140 towards the A47. At the A47 junction join the A47 westbound to Thickthorn interchange.</p>
<p>Tuttles southbound exit slip road closure</p>	<p>Continue on the A11 southbound to the next junction. Exit via the Mulbarton southbound exit slip road and turn right onto Browick Road, then turn left on to Ayton Road, turn right onto Station Road and finally right onto B1172.</p>
<p>Tuttles southbound entry slip road closures</p>	<p>Travel southbound on the B1172, turn left on to Station Road, then first left onto Ayton Road, turn right on to Browick Road, at second roundabout turn right onto A11 southbound entry slip road.</p>
<p>Both Tuttle southbound exit slip road and Mulbarton southbound exit slip road closures</p>	<p>Continue on the A11 southbound to Spooner Row. Exit at Spooner Row and turn right at top of slip road onto Station Road, turn right at the roundabout and turn right at the next roundabout to rejoin the A11 northbound. Both Mulbarton and Tuttle northbound exit slips will be open.</p>
<p>Browick southbound entry slip road</p>	<p>Follow Browick Road, turn left on to Ayton Road, then turn right onto Station Road, turn left onto the B1172 southbound. Follow signs for A11 southbound.</p>
<p>Tuttles northbound entry slip road</p>	<p>Join the A11 at Mulbarton northbound entry slip. Alternatively, travel north on the B1172 through Hethersett to the A47/A11 junction at the Thickthorn interchange.</p>
