

Dear Sir/Madam

## A11 southbound between Attleborough and London Road

I am writing to tell you that we plan to carry out essential survey work to assess the condition of the A11 between Attleborough and London Road.

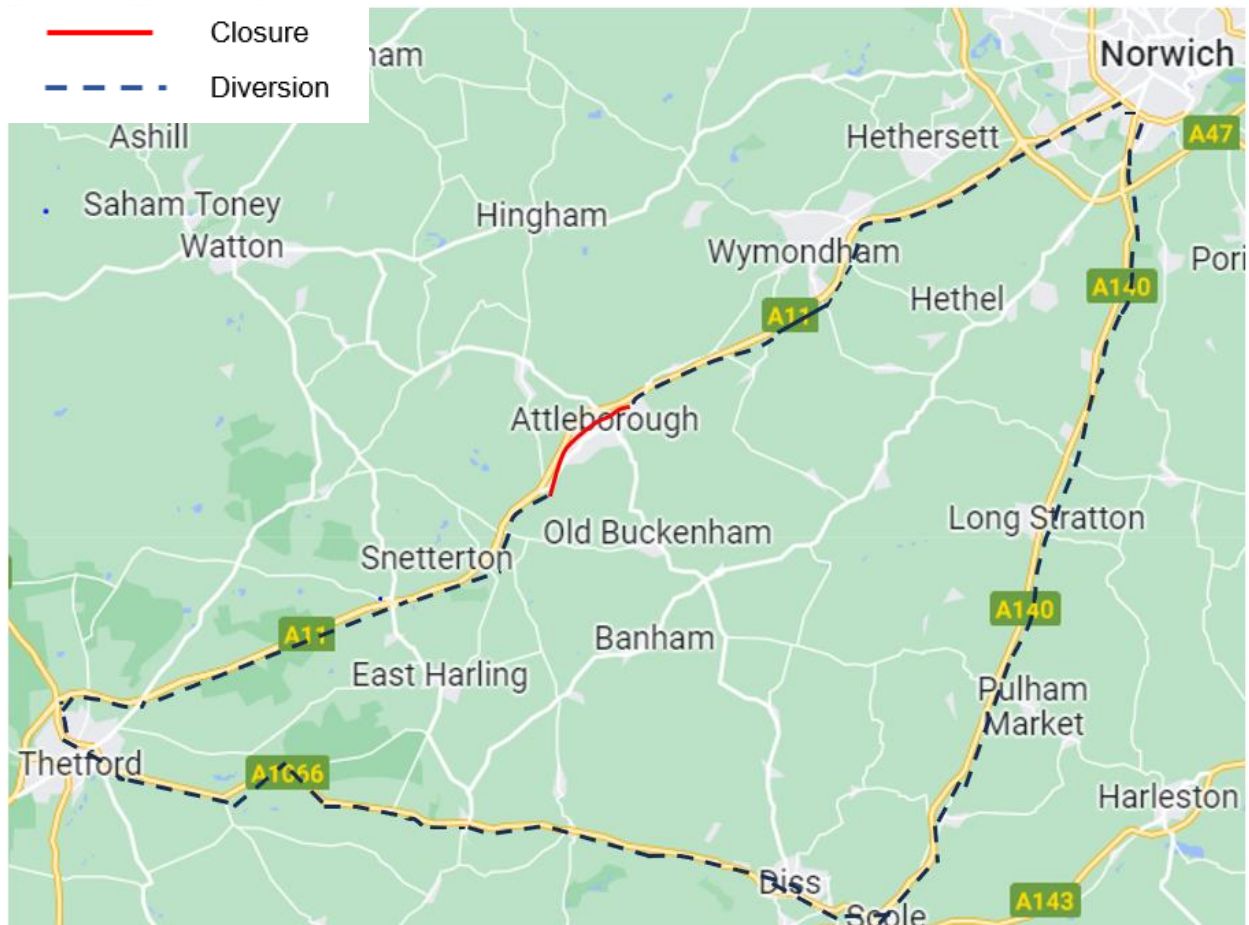

We plan to complete this work over **2 nights** between **Monday 16 October and Wednesday 18 October**. We will work between **8pm to 6am**, weather conditions permitting.

### Closures and diversions

To carry out the work safely, we will need to close the A11 southbound between Attleborough and London Road.

Whilst the A11 is closed, southbound traffic will be diverted northbound to the A47 then eastbound towards Trowse Newton, before travelling southbound on A140 towards Diss, then westbound on A1066 towards Thetford to rejoin the A11.

A map of the diversion can be found below.
