

A11 Spooner Row to Tuttlles Reconstruction Scheme

e-Bulletin – 14 December 2023

Notification of upcoming work on the A11

We hope you are enjoying the new road surface between Spooner Row and the Tuttlles Interchange. To ensure growth, we need to apply herbicide to the newly planted vegetation on the A11. We also need to test the new surface and install some missing studs in a layby.

To do this work, we'll need to close the following roads between 8pm and 6am on the dates below:

Sunday 17 December

- A11 Browick Road southbound exit slip road
- A11 Tuttlles Lane southbound entry slip road

Monday 18 December

- A11 Mulbarton northbound entry slip road
- Full closure of the A11 northbound from Mulbarton to Tuttlles Interchange
- A11 Browick southbound exit slip road
- A11 Tuttlles Lane southbound entry slip road

Diverted traffic will be asked to follow the B1172 either southbound or northbound before re-joining the A11 via the next available junction. Please find a diversion route map at the end of this e-Bulletin.

Please note that all dates are subject to change due to unforeseen circumstances or poor weather conditions.

Get in touch

If you have any questions about this work, you can contact us by calling our 24/7 Customer Contact Centre on 0300 123 5000, or by emailing ConcreteRoadsEastA11@nationalhighways.co.uk. Alternatively, please visit our website for more information about this project: www.nationalhighways.co.uk/A11concrete.

Road users can also keep up to date on road closures by visiting our Traffic England website at www.trafficengland.com or by following our X feed: [@HighwaysEAST](https://twitter.com/HighwaysEAST).

Yours sincerely

Andy Dyer
Project Manager
