Subject: Mr Howes

My name is Matthew Howes, I am 44 years old, and have lived in attleborough just over 2 years now where I have become great friends with some of the local community.

I was born in London, and moved to clacton on sea at the age of 8.

I was a self employed builder, who then went on to run a successful newsagents in the local community for 12 years, whilst maintaining my career within the building trade.

We decided to move to Norfolk to peruse our dream of living in the country and being part of a smaller more intimate community.

My wife and I were married just last year in all saints church in besthorpe.

Being semi retired, I feel that not only do I have the time, but the passion to help and do something for the community.
