

Jubilee Woodland and Country Park Project.

“The Mayor Cllr T Taylor, Town Clerk and two volunteers were accompanied today by the site manager of the Hill Group to take a walk onto the bareland between Norwich Road and the A11 running all the way along to the end of Queens Road traffic lights. This land is going to come under the ownership of the Town Council to create a new woodland, paths, glades and a mini country park. The new woodland, (found to the rear of the cemetery and Queens Road allotments), will be named Jubilee Woodland and will be developed in a first phase. The country park will be situated to the rear of Attleborough Academy and will be delivered in a later phase. We are really excited to have the opportunity to deliver this much needed green space for all residents to access and enjoy. If you would like to learn more about this project, please contact enquiries@attleboroughtc.org.uk.”
